EXPLORING EVANGELISM MYTHS

discussion guide • ep5

EVANGELISM IS REGULARLY CELEBRATED IN CHURCHES.

1. When is the last time you heard a current story of someone talking about Jesus or someone committing to follow Jesus? Did this story inspire you? What impact do you think it would have to hear stories like this more often?
2. Rachel Jordan Wolf says we need to hear evangelism stories more often. What impact do you think it would have on you to hear more current evangelism stories?
3. When is the last time you shared how God saved or is saving you? Reflect on your own story of salvation. What could it look like to share your story of salvation from a different starting point or perspective?
4. During Sunday gatherings or small group meetings, what are ways current evangelism stories could be shared? Remember these simple ideas: be honest, plan ahead, start small, be consistent, and be creative.
